# HOSPITALITY LOCATIONS AND TRACK MAP

**SAUDI ARABIA FACTS:** The kingdom's population is 4.7% under 24 and 5% over 60. Saudi Arabia's young demographic really stands out against the backdrop of major economies with aging populations such as Japan.

## PREMIUM HOSPITALITY AND SUITES

- » Premium Hospitality & Premium Suites are locally made and managed hospitality product that is located at the heart of the track which offers unique 360° race views of the Turn 1& 2 and Turn 22, & 23 with unique vantage points and enriched with elevated exquisite dining offerings.
- » The structure is comprised of 3 wings, forming a south facing U-Shape Structure, with the east and west wings flanking the north bridge floating over the circuit.
- » It offers a unique view of the start/finish straight, with the cars launching towards the structure and disappearing underneath the North Wing Bridge
- » Structure is fully accessible and, like our Lounges and Suites, is fully equipped with essential AV Technology: Wi-Fi, TV, and Speakers.
- » Fire Safety Systems with multiple fire escapes and CCTV Security.

### Premium Suites:

- » Guests can enjoy the race from the privacy of their own suite, with their own private balcony overlooking the circuit.
- » Offering a more personalized setting, with a la carte dining and all-day food display in each suite
- » Suite's capacity ranging from 25-40 guests per suite.
- » Our unique feature to facilitate networking and accommodate any desired number of guests: Rolling partitions allow to merge or divide any adjacent suites.
- » For corporate bookings, each suite can be branded and customized by the client according to suite guidelines.

### Premium Hospitality:

- » The indoor space is made up of elegant lounges, stylish cocktail tables, and an exquisite dining area
- » The outdoor spaces offer comfortable seating to compliment the incredible energy surging when cars are on track
- » Structure is fully accessible and equipped with essential AV Technology: Wi-Fi, TV, and Speakers.
- » Fire Safety Systems with multiple fire escapes and CCTV Security.

### SERVICES

- » Dedicated parking right at the entrance of the Premium Hospitality/ Premium Suite building.
- » Meet & Greet service at the entrance and continuous guest guidance provided by experienced hosts throughout the guest journey.
- » Elevated exquisite dining experience and different food concepts offerings with plated dining, live cooking stations and interactive food and beverage activations showcasing local and international specialties.
- » Creative selection of hot and cold beverage menu with signature welcome drinks and mocktail offerings.
- » Weekend program is filled up with entertainment including live performances and activations for all ages.
- » Legendary F1 drivers make guest appearances.
- » Easy access to award winning promenade restaurants and all fan villages.
- » VIP Shuttle transfer from venue to concert VIP platform where guests can access complimentary food and beverage offerings while being amused with musical and light performances.
- » Guest will receive distinctively designed commemorative SAGP 23 Gift

(\* Subject to a minimum group size of 25 for Premium Suites)

PREMIUM HOSPITALITY  
AND SUITES

**SAUDI ARABIA FACTS:** Saudi Arabia is the largest country in the world without a river. Most of the fresh water here comes from desalination plants (of which Saudi Arabia has the world's largest) or underground reservoirs.
