

**BE A V.I.P** ALL OVER THE WORLD

**FORMULA 1™ GRAND PRIX DE MONACO**  
**MONTE CARLO**  
24.05. – 26.05.2024

**Terrace Albatros, 3<sup>rd</sup> floor**

The Monaco racetrack around the impressive Casino is one of only four temporary street circuits on the Formula One calendar.

The city of Monaco gives the race a breath-taking backdrop. As the circuit is located in the heart of the city the view from normal grandstands is naturally worse than on permanent racetracks.

With our **apartment** on the 3rd floor of the building Albatros we offer you the opportunity to be as close as you somehow can be to the cars on the start-finish straight.

The building Albatros is located on Boulevard Albert 1er on the start finish straight.
