

FORMULA 1™ MONACO GRAND PRIX

Monte Carlo

23/05/ –25/05/2025

IMPRESSIVE VIEW

Roof Terrace Caravelles A

The Monaco track, around the impressive Casino is one of only two temporary street circuits in the Formula One calendar. The city of Monaco gives the race a breath taking scenery. As the circuit is located in the heart of the city, the view from normal grandstands is naturally worse than on permanent race tracks.

Therefore we are proud to be able to offer one of the best locations in Monaco to enjoy the Grand Prix. From the terrace you have a unique view of big parts of the circuit.

The building Caravelles is located on the boulevard Albert 1er in the last third of the start-finish straight.
